VISHAL KUMAR

FRONTEND DEVELOPER

📞 +91 83530 01381   📍 Dharamshala / Himachal Pradesh, Pin Code - 176215   ✉ thevrnexus01@gmail.com

ABOUT ME

Creative and detail-oriented Frontend Developer with a strong foundation in web technologies including HTML, CSS, JavaScript, and React. Currently pursuing a Bachelor of Arts from IGNOU, demonstrating strong self-discipline and time management. Passionate about building responsive and accessible Single Page Applications with modern UI/UX, dark mode support, animations, and clean code architecture. Fast learner, dedicated to continuous growth, and currently exploring backend technologies (Node.js, Express) to become a full-stack developer
